

Where Will Streets Take You?

**Working in the Streets Division
is not a job, it's a career**

The City of Santa Barbara Streets Division is part of the City's Public Works Department. It's more than just filling pot holes and paving roads--though we do that too. Learn how to drive the big machinery and use some of the latest equipment in infrastructure management. If you've got the dedication, drive, and ambition, we want to talk to you.
